RE: Thank You

Dear Tom,

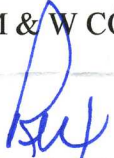

It's hard to believe that we are entering our 20th year with Florida Insurance Consultants! There have been many bumps in the road, but one thing has been evident over the years and that has been your dedication to saving us money! Your service and personal attention to our needs has been above and beyond what we expected.

When we got on the Retro Plan, we were able to increase our Safety Rewards Program, which our employees benefit directly. The Retro Plan has allowed us to get back almost \$70,000.00 over an eight year period! This has been a big boost, especially at the end of the year.

We have never had a Worker's Comp Agent who has worked as hard for our company as you and your staff. Not only do we have a great agent, but a good friend who we know is looking out for our best interests. We look forward to many years of your continued service and friendship.

Yours truly,

M & W CONSTRUCTION COMPANY, INC.
